REQUEST FOR EXPEDITED ISSUANCE OF CERTIFICATE OF CORRECTION
UNDER 37 CFR §1.322(a)(1)

S I R:

Applicant hereby requests a correction to the assignee's name and address shown on
the *Letters Patent* in the above-identified patent matter from "Warner Communications Inc." to
"Time Warner Entertainment Co., L.P."

On August 12, 2003, applicant filed an *Issue Fee Transmittal Form* on which the proper
name and address of the assignee was indicated. The assignment document was duly recorded

Application No.: 09/942,813
Certificate of Correction dated July 14, 2005
Attorney Docket No.: 3054-037

in the USPTO on May 23, 2003 at Reel No. 014078 and Frame No. 0621. Thus, it is clear that the error was made on the part of the Office.

Applicant encloses herewith the *Certificate of Correction (form PTO/SB/44)* indicating the location on the front page of said patent where the textual change is to be made as well as the content of the change.

For the convenience of the Commissioner, applicant submits herewith the following supporting documents:

1. **Exhibit A** - A copy of the front page of US Patent No. 6,784,971 B2 showing the incorrect name and address of the assignee;
2. **Exhibit B** - A copy from the files of the undersigned attorneys of the *Part B - Issue Fee Transmittal (form PTOL-85)* mailed to the USPTO by the applicant on August 12, 2003;
3. **Exhibit C** - A copy from the files of the undersigned attorneys of the return receipt postcard mailed by applicant's undersigned attorneys on August 12, 2003 and stamped received by the USPTO on August 15, 2003 indicating submission of said transmittal form; and
4. **Exhibit D** - A copy of the *Patent Assignment Abstract of Title* printed on July 14, 2005 from the USPTO web site at <http://assignments.uspto.gov/assignments> showing the chain of title for this patent property.

Application No.: 09/942,813
Certificate of Correction dated July 14, 2005
Attorney Docket No.: 3054-037

In view of the facts enumerated hereinabove and in accordance with 35 USC §254, applicant believes that no government charge is presently due for granting this request for an *Certificate of Correction* reflecting the proper name and address of the assignee due to an error on the part of the Office. However, if it is determined that a fee is due, the Commissioner is hereby authorized to charge such a fee to our Deposit Account No. 07-1730. A duplicate of this sheet is enclosed herewith.

Dated: July 14, 2005
New York, New York

(57) **ABSTRACT**

A digital projector that projects moving images from a data stream also generates black intervals selected to induce a stroboscopic effect in a viewer's eye. The black signals are interspaced with the images in a manner so as to simulate the operation of a standard movie projector thereby insuring that the effects of temporal and spatial artefacts normally associated with digital projectors are reduced.
